Judge Whitely will not push back the hearing currently scheduled for December 18, 2018. If you would like your motion to be heard on December 18, 2018 as well, you need to properly notice your motion for that date.

Also, as noted in prior emails and in Court, please do not communicate your requests to law clerks. If there is specific relief you seek, you will need to file a motion, notice a hearing on your motion, and serve your motion on all parties in interest.

Thank you,  
Phillip Fajgenbaum

No Problem, Can the current hearing for 12/18 be pushed back until a date after my motion is heard?

Thank you

Robert,

Judge Whitley does not have any earlier dates available, so any matter you wish to be heard needs to be properly noticed for December 18, 2018.

Thank you,

Hey Phillip, I was unaware that no court date was required to schedule a hearing but apparently document #110 requires one to unschedule a hearing. So, I need the dates Judge Whitley may have available for an emergency hearing to dismiss and oppose the 12/18/18 hearing. I will need this hearing before the 12/18/18 hearing or need the 12/18/18 hearing pushed back.

Thank You  
Robert McCoy Jr.

Ace v McCoy motion to strike McCoy motion for dismissal of receiver motion.pdf

Mrs. Hamilton, the parties have been advised not to contact Mr. Fajgenbaum concerning this proceeding. Nevertheless, Mr. McCoy continues to contact Mr. Fajgenbaum by email, and Mr. Fajgenbaum is responding to Mr. McCoy and copying me. Under the circumstances, I am not going to respond or copy Mr. Fajgenbaum. I would like the court to be aware of the attached motion that I filed today concerning Mr. McCoy's continued efforts to represent corporate entities in this proceeding, as well as his efforts to reschedule a hearing that Judge Whitley has set for December 18.
